

Course Objectives.

The objectives of this course are:

- To make students capable of understanding the text of the Hadith so that they can understand the rules of ethics from the second source of ethical book.
- To make students capable of understanding the basic Arabic language so that they can communicate with the foreign countries and be fit with labor market worldwide especially in the Middle East.
- To inspire students and make them interested in reading the Hadith as the second main source of ethics as well as the only reliable explanation of the holy Qur'an, the basic book of ethics, last divine scripture and the complete code of life.
- To make students familiar with the instructions of the Prophet Muhammad (PBUH), the most influential person and excellent model of ethics, so that they can lead their life being enlightened and be sincere and moral in all of their activities.
- To go towards achieving the motto of the university – to combine quality with morality.

Learning Outcomes:

The learners, after completion of this course, will be able to:

- Learn the meaning of the significant words & expression mentioned in the text.
- Gain knowledge about central theme and subject matter of the text.
- Understand the general meaning of the text.
- Find out the teachings and implication of the text.
- Make comparison between the requirements of Hadith and the reality of our life.
- Understand the basic formation of Arabic sentences.
- Obtain the capability of Arabic conversation.

Lecture 15: Characteristics of Hypocrisy

عَنْ أَبِي هُرَيْرَةَ قَالَ: قَالَ رَسُولُ اللَّهِ ﷺ: «مِنْ عَلَامَاتِ الْمُنَافِقِ ثَلَاثَةٌ، وَإِنْ صَامَ وَصَلَّى وَزَعَمَ أَنَّهُ مُسْلِمٌ: إِذَا حَدَّثَ كَذَبًا، وَإِذَا وَعَدَ أَخْلَفَ، وَإِذَا أُوتِمِنَ خَانَ»

عَنْ عَبْدِ اللَّهِ بْنِ عَمْرٍو رَضِيَ اللَّهُ عَنْهُمَا، أَنَّ النَّبِيَّ ﷺ قَالَ: «أَرْبَعٌ مَنْ كُنَّ فِيهِ كَانَ مُنَافِقًا خَالِصًا، وَمَنْ كَانَتْ فِيهِ خَصْلَةٌ مِنْهُنَّ كَانَتْ فِيهِ خَصْلَةٌ مِنَ النِّفَاقِ حَتَّى يَدْعَهَا: إِذَا أُوتِمِنَ خَانَ، وَإِذَا حَدَّثَ كَذَبًا، وَإِذَا عَاهَدَ غَدَرَ، وَإِذَا خَاصَمَ فَجَرَ

Answer Summary:

A pure hypocrite is identified by four specific negative traits:

1. **Lying** when speaking.
2. **Breaking promises**.
3. **Betraying trust** or covenants.
4. Using **obscene language** or insults during a dispute.

Ethical Guideline: We must stay away from these behaviours because hypocrisy is a "serious sickness" more dangerous than disbelief, and its punishment is the lowest level of Hell.

Hypocrisy in Islam is a serious sickness and a great crime. Hypocrisy means pretending to be a Muslim on the outside while hiding disbelief on the inside. **Hypocrisy** is more dangerous than disbelief and the punishment for it is more severe, because it is disbelief mixed with Islam and its harmful effects are greater. Hence Allah will put the hypocrites in the lowest level of Hell, as He says (interpretation of the meaning):

إِنَّ الْمُنَافِقِينَ فِي الدَّرَكِ الْأَسْفَلِ مِنَ النَّارِ وَلَنْ تَجِدَ لَهُمْ نَصِيرًا

Characteristics of the hypocrites

1. The hypocrites have many characteristics, the worst and most serious of which is disbelief in Allah. Allah says:

وَإِذَا قِيلَ لَهُمْ آمِنُوا كَمَا آمَنَ النَّاسُ قَالُوا أَنُؤْمِنُ كَمَا آمَنَ السُّفَهَاءُ ۗ أَلَا إِنَّهُمْ هُمُ السُّفَهَاءُ وَلَكِن لَّا يَعْلَمُونَ

2. Among their characteristics are They secretly hate seeing the believers succeed and feel happy when things go wrong for them.

إِنْ تُصِيبَكَ حَسَنَةٌ تَسُؤْهُمْ ۖ وَإِنْ تُصِيبَكَ مُصِيبَةٌ يَقُولُوا قَدْ أَخَذْنَا أَمْرَنَا مِنْ قَبْلُ وَيَتَوَلَّوْا وَهُمْ فَرِحُونَ

3. Among their characteristics is mockery of Allah, His Messenger and His religion. Allah says:

وَلَئِنْ سَأَلْتَهُمْ لَيَقُولُنَّ إِنَّمَا كُنَّا نَخُوضُ وَنَلْعَبُ ۚ قُلْ أَبِاللَّهِ وَآيَاتِهِ وَرَسُولِهِ كُنْتُمْ تَسْتَهْزِئُونَ

4. Among their characteristics is that they spread corruption on earth, with disbelief, **hypocrisy** and sins . Allah says

وَإِذَا قِيلَ لَهُمْ لَا تُفْسِدُوا فِي الْأَرْضِ قَالُوا إِنَّمَا نَحْنُ مُصْلِحُونَ ۚ أَلَا إِنَّهُمْ هُمُ الْمُفْسِدُونَ وَلَكِن لَّا يَشْعُرُونَ

5. Among their characteristics are slander and lies. Allah tells us about them. Allah says

وَيَخْلِفُونَ بِاللَّهِ إِنَّهُمْ لَمِنْكُمْ وَمَا هُمْ مِنْكُمْ وَلَكِنَّهُمْ قَوْمٌ يَفْرُقُونَ

Punishment of the hypocrites

But because of the seriousness of the harm they cause, the hypocrites will be in the lowest level of Hell, as Allah says

إِنَّ الْمُنَافِقِينَ فِي الدَّرَكِ الْأَسْفَلِ مِنَ النَّارِ وَلَنْ تَجِدَ لَهُمْ نَصِيرًا

Because the danger posed to the Muslim ummah by the disbelievers and hypocrites is so great, Allah commanded His Messenger to strive against them

يَا أَيُّهَا النَّبِيُّ جَاهِدِ الْكُفَّارَ وَالْمُنَافِقِينَ وَاغْلُظْ عَلَيْهِمْ وَمَأْوَاهُمْ جَهَنَّمُ وَبِئْسَ الْمَصِيرُ

****Lecture 16: Kinds of Shaheed (Martyr)****

عَنْ أَبِي هُرَيْرَةَ رَضِيَ اللَّهُ عَنْهُ: أَنَّ رَسُولَ اللَّهِ ﷺ قَالَ: «الشُّهَدَاءُ خَمْسَةٌ: الْمَطْعُونُ، وَالْمَبْطُونُ، وَالْغَرِيقُ، وَصَاحِبُ الْهَدْمِ، وَالشَّهِيدُ فِي سَبِيلِ اللَّهِ»

Translation: Narrated Abu Huraira: Allah's Messenger صلى الله عليه وسلم said, "Five are regarded as martyrs: They are those who die because of plague, Abdominal disease, drowning or a falling building etc., and the martyrs in Allah's Cause".

Answer Summary: Kinds of Shaheed

According to Islamic Jurisprudence, there are **two kinds** of Shaheed:

- 1. Shaheed in the Real Sense:** A Muslim killed in **Jihad** or killed **unjustly**. They are buried without a ritual bath, and their sins are forgiven.
- 2. Shaheed in the Constructive Sense:** People who die from specific causes like **plague, abdominal disease, drowning, falling buildings, or during childbirth**. They receive the reward of a martyr in the Hereafter but are buried with normal rituals.

****Lecture 17: Rewards for Good and Bad Deeds****

«إِنَّ اللَّهَ كَتَبَ الْحَسَنَاتِ وَالسَّيِّئَاتِ ثُمَّ بَيَّنَ ذَلِكَ: فَمَنْ هَمَّ بِحَسَنَةٍ فَلَمْ يَعْمَلْهَا كَتَبَهَا اللَّهُ عِنْدَهُ حَسَنَةً كَامِلَةً، وَإِنْ هَمَّ بِهَا فَعَمَلَهَا كَتَبَهَا اللَّهُ عَزَّ وَجَلَّ عِنْدَهُ عَشْرَ حَسَنَاتٍ إِلَى سَبْعِمِائَةٍ ضِعْفٍ إِلَى أَضْعَافٍ كَثِيرَةٍ، وَإِنْ هَمَّ بِسَيِّئَةٍ فَلَمْ يَعْمَلْهَا كَتَبَهَا اللَّهُ عِنْدَهُ حَسَنَةً كَامِلَةً، وَإِنْ هَمَّ بِهَا فَعَمَلَهَا كَتَبَهَا اللَّهُ سَيِّئَةً وَاحِدَةً»

Answer Summary:

Terminologies: The word حسنات is derived from the word حسن which means nice, good.e.g. رَجُلٌ ذُو خُلُقٍ حَسَنٍ. (A person of good)

حسنات means good deeds. The following verse of the Qur'an gives the similar meaning to which has been mentioned in this Hadith

مَنْ جَاءَ بِالْحَسَنَةِ فَلَهُ عَشْرُ أَمْثَالِهَا وَمَنْ جَاءَ بِالسَّيِّئَةِ فَلَا يُجْزَى إِلَّا مِثْلُهَا وَهُمْ لَا يُظْلَمُونَ

Allah is incredibly Generous and Just:

Good Deeds: Intending a good deed earns **1 reward**; performing it earns **10 to 700 times** the reward.

Bad Deeds: Intending a bad deed but stopping for Allah's sake earns **1 good reward**; committing it earns only **1 bad deed**.

1. The Multiplied Reward for Good Deeds (Pure Generosity)

When a person performs a good deed, Allah does not just give them a 1-to-1 return. Out of His infinite generosity, the reward is multiplied:

- **The Baseline:** Starting at **10 times** the reward.
- **The Limitless Multiplier:** Up to **700 times**, or even more, depending entirely on the person's **sincerity (Ikhlas)** and the effort put into the deed.

2. The Fair Scale for Bad Deeds (Perfect Justice)

When it comes to sins, Allah's absolute justice is displayed:

- A bad deed is **only recorded as a single sin**. It is never multiplied.
- The punishment matches the weight of the action exactly—no more, no less.

3. The Grace for Intentions (Thoughts vs. Actions)

The Hadith also reveals how Allah rewards the internal struggle of a believer:

- **Intending a good deed** but being unable to do it? → Recorded as **1 full good deed**.
- **Intending a sin** but stopping oneself **out of fear of Allah**? → Turned into **1 full good deed** because overcoming temptation is an act of worship.
- **Intending a sin** but just forgetting about it or changing one's mind? → It is simply dropped and **not recorded as a sin at all**.

Quranic Confirmation

The text mentions that a verse confirms this rule. This is a direct reference to **Surah Al-An'am (6:160)**, where Allah states:

مَنْ جَاءَ بِالْحَسَنَةِ فَلَهُ عَشْرُ أَمْثَالِهَا وَمَنْ جَاءَ بِالسَّيِّئَةِ فَلَا يُجْزَى إِلَّا مِثْلُهَا وَهُمْ لَا يُظْلَمُونَ

"Whoever comes [on the Day of Judgement] with a good deed will have ten times the like thereof [to his credit], and whoever comes with an evil deed will not be recompensed except the like thereof; and they will not be wronged."

****Lecture 18: Importance of Midnight Prayer (Tahajjud)****

«اللَّهُمَّ لَكَ الْحَمْدُ أَنْتَ قَيِّمُ السَّمَوَاتِ وَالْأَرْضِ وَمَنْ فِيهِنَّ، وَلَكَ الْحَمْدُ لَكَ مُلْكُ السَّمَوَاتِ وَالْأَرْضِ وَمَنْ فِيهِنَّ، وَلَكَ الْحَمْدُ أَنْتَ نُورُ السَّمَوَاتِ وَالْأَرْضِ وَمَنْ فِيهِنَّ، وَلَكَ الْحَمْدُ أَنْتَ الْحَقُّ، وَوَعْدُكَ الْحَقُّ، وَلِقَاؤُكَ حَقٌّ، وَقَوْلُكَ حَقٌّ، وَالْجَنَّةُ حَقٌّ، وَالنَّارُ حَقٌّ، وَالنَّبِيُّونَ حَقٌّ، وَمُحَمَّدٌ ﷺ حَقٌّ، وَالسَّاعَةُ حَقٌّ. اللَّهُمَّ لَكَ أَسْلَمْتُ، وَبِكَ آمَنْتُ، وَعَلَيْكَ تَوَكَّلْتُ، وَإِلَيْكَ أُنَبْتُ، وَبِكَ خَاصَمْتُ، وَإِلَيْكَ حَاكَمْتُ، فَاغْفِرْ لِي مَا قَدَّمْتُ وَمَا أَخَّرْتُ، وَمَا أَسْرَرْتُ وَمَا أَعْلَنْتُ، أَنْتَ الْمُقَدِّمُ وَأَنْتَ الْمُؤَخِّرُ، لَا إِلَهَ إِلَّا أَنْتَ (أَوْ: لَا إِلَهَ غَيْرُكَ)»

Answer Summary:

Tahajjud is a voluntary night prayer performed between Isha and Fajr.

Tahajjud is an Arabic word derived from “h-j-d”, which means to remain awake at night. Therefore, it is also known as the night prayer. As one has to perform Tahajjud in between the Isha and Fajr prayer, one has to wake up at night for the prayer. The prayer is highly rewarding due to its mentions in the Quran and by the Prophet (PBUH).

Importance: It brings mental strength, peace, and helps one avoid sin.

Lessons: It involves *praising Allah*, submitting completely to His will, and asking for *forgiveness* for past and future sins.

This hadith is about praising Allah and seeking His forgiveness. It talks about the importance of submitting to Allah, believing in Him, relying on Him, turning to him for judgement and asking for His forgiveness.

The Prophet Muhammad صلى الله عليه وسلم taught us that we should praise Allah by saying “O Allah! To You is the praise”• three times before we ask anything from him. We should also remember that He is the light of heavens and earth; He sustains all things; He is our Lord; He is true in His promises; He will meet us one day; Paradise exists as well as Hellfire; The Day of Judgment will come eventually. We must submit ourselves

completely to God's will by saying “You are my Deity”• no one else has the right to be worshipped but You alone.

Lastly we must ask God's forgiveness by saying “forgive me what I have done before and after”• so that our sins can be forgiven.

This hadith teaches us how important it is to always remember God in our lives through prayer and supplication so that we can receive His mercy and blessings upon us all throughout our lives here on earth as well as hereafter in paradise InshaAllah!

Lecture 19: Faults Accepted (Mistake, Forgetfulness, Compulsion)

عَنْ ابْنِ عَبَّاسٍ رَضِيَ اللَّهُ عَنْهُمَا، أَنَّ رَسُولَ اللَّهِ ﷺ قَالَ: «إِنَّ اللَّهَ تَجَاوَزَ عَنْ أُمَّتِي الْخَطَأَ، وَالنِّسْيَانَ، وَمَا اسْتُكْرِهُوا عَلَيْهِ»

Answer Summary:

Allah has granted forgiveness to the Muslim Ummah for three types of unintentional faults:

1. Mistake (Al-Khata): Actions done without wrong intention.
2. Forgetfulness (Al-Nisyan): Forgetting a duty or rule.
3. Compulsion (Al-Istikrah): Being forced to do something against one's will, like a person under threat.

Lesson: No one is held responsible for actions unless they are done **consciously and with free will**.

Terminologies

الْخَطَأُ وَ النِّسْيَانُ : This is a phrase in Islamic *Shari'ah*, which is used when some wrongdoing is committed due to mistake or forgetfulness i.e. without intention to do this. According to the principles of Islamic *Shari'ah* one becomes liable for punishment if he violates a law of *Shari'ah* with intention and free will, but if any wrong is committed without intention then he will not be liable for punishment. Mistake and forgetfulness are two situations where it can be understood that the wrong has been committed unintentionally. This exemption from being punished is the special favour from Allah (Swt) for the Muslim Ummah as this Hadith indicates.

الاستكراه : This is also one of the three situations where a person is excused for his wrong doing. This is doing something under compulsion.

****Lecture 20: Three Grades of Believers****

ثُمَّ أَوْرَثْنَا الْكِتَابَ الَّذِينَ اصْطَفَيْنَا مِنْ عِبَادِنَا فَمِنْهُمْ ظَالِمٌ لِنَفْسِهِ وَمِنْهُمْ مُقْتَصِدٌ وَمِنْهُمْ سَابِقٌ بِالْخَيْرَاتِ
يَاذْنِ اللَّهُ ذَٰلِكَ هُوَ الْفَضْلُ الْكَبِيرُ

Answer Summary: The Three Tiers of the Ummah

Classical scholars like Ibn Kathir explain that this verse is a roadmap of human spiritual states. No matter where a believer stands today, they fall into one of these three paths:

1. The One who Wrongs Himself (*Zhalimun li-nafsih*):

This is the believer who is negligent. They perform their fundamental obligations but occasionally fall into major sins, or they miss out on voluntary acts and succumb to human weaknesses. *Yet, Allah still calls them "chosen" and an inheritor of the Book.*

2. The One who is Moderate (*Muqtasid*):

This is the average, steady believer. They fulfill all the obligations (*Wajib*) and strictly avoid the forbidden things (*Haram*). However, they might not do many extra voluntary prayers or charities, and they might occasionally indulge in things that are discouraged (*Makruh*).

3. The One who Vies in Good Deeds (*Sabiqun bil-khayrat*):

This is the spiritual elite. They don't just do the basics; they rush to do voluntary prayers, extra fasting, and hidden charity. They avoid not only the *Haram* but even doubtful matters out of love for Allah.

The Ultimate Comfort

What makes this verse deeply moving is how it ends. Right after naming these three groups, the very next verse (35:33) states: **"Gardens of perpetual residence they will enter..."**

The early scholars noted that the word "they" applies to **all three groups**. While the first group may face accountability or require purification first, their baseline faith means their ultimate destination is still Paradise. This is why it is called "the greatest bounty."

****Lecture 21: Attitude of a Muslim towards the World****

عَنْ ابْنِ عُمَرَ رَضِيَ اللَّهُ عَنْهُمَا قَالَ: أَخَذَ رَسُولُ اللَّهِ ﷺ بِشِقَائِي (أَوْ بِمَنْكِبِي) فَقَالَ: «كُنْ فِي الدُّنْيَا كَأَنَّكَ غَرِيبٌ أَوْ عَابِرُ سَبِيلٍ.»

Answer Summary:

A Muslim should live in this world like a stranger or a traveler.

Explanation: Do not treat this world as a permanent home; use it to prepare for the Hereafter.

The Two Mindsets of a Believer

The Prophet (ﷺ) offers two distinct metaphors for how we should view our relationship with the material world (*Dunya*):

1. The Stranger (*Gharib*):

A stranger living in a foreign land does not get overly attached to the local politics, arguments, or massive real estate of that country. They know they don't belong there. They keep their head down, stay out of trouble, and focus on what is necessary until it is time to return home. Our true home is Paradise.

2. The Passerby / Wayfarer (*'Abiru Sabil*):

This is an even higher state than a stranger. A traveler doesn't build a permanent house under a tree while stopping for a 20-minute break. They take only the shade and water they need to keep moving forward. For the traveler, the world is just a bridge, and you don't build houses on a bridge.

When you don't expect the world to be perfect or permanent, you stop suffering over its temporary losses.

****Lecture 22: Moderation in Islam****

عَنِ النَّبِيِّ ﷺ قَالَ: «إِنَّ الدِّينَ يُسْرٌ، وَلَنْ يُشَادَّ الدِّينَ أَحَدٌ إِلَّا غَلَبَهُ، فَسَدِّدُوا وَقَارِبُوا وَأَبْشِرُوا،
وَاسْتَعِينُوا بِالْعَدْوَةِ وَالرَّوْحَةِ وَشَيْءٍ مِنَ الدَّلْجَةِ»
وَكَذَلِكَ جَعَلْنَاكُمْ أُمَّةً وَسَطًا لِتَكُونُوا شُهَدَاءَ عَلَى النَّاسِ وَيَكُونَ الرَّسُولُ عَلَيْكُمْ شَهِيدًا

Answer Summary:

Islam is a religion of ease.

What is Moderation? It is the **middle path** between two extremes: excess (being too strict) and deficiency (being too lax).

Moderation in Islam:

Islam recognizes the line which separates moderation and extremism, even in matters of the religion itself. If a Muslim transgresses this ‘limit’ where it involves harm and making the religion more difficult beyond our capacity, it is then considered to be going against the religion. Allah s.w.t. says in the Quran, لَّا تَغْلُوا فِي دِينِكُمْ, (“Do not exaggerate in your religion.”)

Guidance: Strive for balance in worship. If you cannot do everything perfectly, do what is close to it and seek Allah's help.

****Lecture 23: Meaning of Tawakkul (Depending on Allah)****

عَنْ عُمَرَ بْنِ الْخَطَّابِ رَضِيَ اللَّهُ عَنْهُ، عَنِ النَّبِيِّ ﷺ قَالَ: «لَوْ أَنَّكُمْ تَتَوَكَّلُونَ عَلَى اللَّهِ حَقَّ تَوَكُّلِهِ لَرَزَقَكُمْ كَمَا يَرْزُقُ الطَّيْرَ، تَغْدُو خِمَاصًا وَتَرُوحُ بِطَانًا»

Answer Summary:

Terminology: **توكل** To depend or to keep trust in Allah. According to the Islamic belief *tawakkul* or depending on Allah is considered as an integral part of Iman.

The logic behind *tawakkul* is that: A Muslim should believe that Allah is the Supreme authority to determine anything for each and every creature in this universe. In spite of the fact that we are to make efforts with a target to reaching the good but he should not think that the result is in his hand. He is completely in Allah's hand. However, it does not mean that one should abandon making any effort and taking the means for that, but each and every body has to make proper efforts and depend on Allah for its consequence. This is why the Prophet (Saw) has urged us to make proper treatment when we fall ill and to take provision with us when we make a journey.

Lessons from the Hadith

This Hadith constitutes a solid foundation of the true meaning of *tawakkul*, which is one of the most influential issues related to one's attitude towards his essentials of life and livelihood. In this regard Allah (Swt) says:

وَمَنْ يَتَّقِ اللَّهَ يَجْعَلْ لَهُ مَخْرَجًا ۖ وَيَرْزُقْهُ مِنْ حَيْثُ لَا يَحْتَسِبُ

Whoever fears Allah and keeps his duty to Him. He will make a way for him to get rid of every difficulty. And He will provide him provision from (sources) he never could imagine before. (5:2-3)

In fact “*tawkkul*” means to place one’s reliance on Allah (Swt) whole heartedly concerning bringing interests and benefits as well as warding off harms and evils.

It also means to realize one’s conviction that Allah is the only One, Who gives and presents both advantages and disadvantages.

It is essential to mention here that paying attention to make the means does not contradict “*tawkkul*”. This in fact is a part of “*tawkkul*”.

Allah (Swt) says related to taking the preparation of defending the enemies:

وَأَعِدُّوا لَهُمْ مَا اسْتَطَعْتُمْ مِنْ قُوَّةٍ وَمِنْ رِبَاطِ الْخَيْلِ تُرْهِبُونَ بِهِ عَدُوَّ اللَّهِ وَعَدُوَّكُمْ وَآخَرِينَ مِنْ دُونِهِمْ لَا تَعْلَمُونَهُمُ اللَّهُ يَعْلَمُهُمْ

“ And make ready against them all you can of power including steeds of war (e.g. tank, planes, missiles artillery etc.) to threaten thereby the enemy of Allah and your enemy and others beside them whom you may not know (but) Allah does know them ” (8:60).

****Lecture 24: The Beauty of Paradise****

عَنْ أَنَسِ بْنِ مَالِكٍ رَضِيَ اللَّهُ عَنْهُ، أَنَّ رَسُولَ اللَّهِ ﷺ قَالَ: «إِنَّ فِي الْجَنَّةِ لَسُوقًا، يَأْتُونَهَا كُلَّ جُمُعَةٍ، فَتَهُبُّ رِيحُ الشَّمَالِ فَتَحْتُو فِي وُجُوهِهِمْ وَثِيَابِهِمْ، فَيَزْدَادُونَ حُسْنًا وَجَمَالًا، فَيَرْجِعُونَ إِلَى أَهْلِيهِمْ وَقَدْ ارْزَدُوا حُسْنًا وَجَمَالًا، فَتَقُولُ لَهُمْ أَهْلُوهُمْ: وَاللَّهِ لَقَدْ ارْزَدَانْتُمْ بَعْدَنَا حُسْنًا وَجَمَالًا، فَيَقُولُونَ: وَأَنْتُمْ، وَاللَّهِ لَقَدْ ارْزَدَانْتُمْ بَعْدَنَا حُسْنًا وَجَمَالًا»

Answer Summary:

Paradise is a place of ultimate reward:

Natural Beauty: Every Friday, a north wind blows fragrance onto the faces and clothes of the believers.

Transformation: This wind increases their beauty and loveliness. When they return home, their families notice they look even more beautiful than before.

In Islam, paradise is called **Jannah**. The Quran and Hadith describe it as a place of ultimate peace, beauty, and rewards, specially created by Allah for those who do good deeds in this life.

Here is what Jannah looks like, focusing on its natural beauty, food, and clothing:

Natural Beauty

The natural beauty of Jannah is beyond anything we can imagine. The Prophet Muhammad (peace be upon him) said that Jannah has things *"which no eye has seen, no ear has heard, and no human heart has ever conceived."*

- **The Ground and Buildings:** The architecture of Jannah is uniquely spectacular. Its buildings are made of precious metals, and its very soil radiates a beautiful fragrance. When the Prophet (ﷺ) was asked about the construction of Jannah, he replied:

"A brick of gold and a brick of silver, its mortar is fragrant musk, its pebbles are pearls and rubies, and its soil is saffron. Whoever enters it will enjoy bliss and shall never suffer..." (Jami` at-Tirmidhi)

- **The Rivers:** The Quran mentions that Jannah has beautiful flowing rivers of pure water, fresh milk, delicious wine (that does not intoxicate), and crystal-clear honey. Allah says:

مَثَلُ الْجَنَّةِ الَّتِي وُعدَ الْمُتَّقُونَ فِيهَا أَنْهَارٌ مِنْ مَّاءٍ غَيْرِ آسِنٍ وَأَنْهَارٌ مِنْ لَبَنٍ لَمْ يَتَغَيَّرَ طَعْمُهُ وَأَنْهَارٌ مِنْ خَمْرٍ لَذَّةٍ لِلشَّارِبِينَ وَأَنْهَارٌ مِنْ عَسَلٍ مُصَفًّى

- **The Weather:** There is no extreme heat or freezing cold. The weather is always perfectly comfortable, and the shade of the giant trees is wide and peaceful. Allah says:

مُتَّكِئِينَ فِيهَا عَلَى الْأَرَائِكِ لَا يَرُونَ فِيهَا شُمْسًا وَلَا زَمْهَرِيرًا ۖ وَدَانِيَةً عَلَيْهِمْ ظِلُّهَا وَذُلِّلَتْ قُطُوفُهَا تَذْلِيلًا

Delicious Food

In Jannah, you will never feel hungry or thirsty, but you eat and drink purely for pleasure.

- **Whatever You Desire:** The Quran says,

وَفَاكِهَةٍ مِمَّا يَتَخَيَّرُونَ ۖ وَلَحْمِ طَيْرٍ مِمَّا يَشْتَهُونَ

"And fruits of what they select, and the meat of fowl from whatever they desire" (Surah Al-Waqi'ah).

Whatever food you think of will instantly be brought to you.

- **Low-Hanging Fruit:** The branches of fruit trees will bend down closely so you can easily pick grapes, pomegranates, and dates while sitting or lying down.

- **Gold and Silver Dishes:** Food and drinks will be served in beautiful platters and cups made of gold and crystal-clear silver.

Beautiful Clothes and Jewelry

The clothing in Jannah is a symbol of honor, luxury, and perfection. No one will ever feel tired, dirty, or old.

- **Fine Silk:** The Quran states that the believers will wear garments made of the finest green silk and rich brocade. Allah says in **Surah Al-Kahf (18:31)**:

وَيَلْبَسُونَ ثِيَابًا خُضْرًا مِّن سُنْدُسٍ وَإِسْتَبْرَقٍ مُّتَكِنِينَ فِيهَا عَلَى الْأَرَائِكِ ...

and they will wear green garments of fine silk and brocade, reclining therein on adorned couches..."

- **Elegant Jewelry:** Both men and women will be adorned with bracelets of gold, silver, and pearls. Allah says in **Surah Al-Hajj (22:23)**:

...يُحَلَّوْنَ فِيهَا مِنْ أَسَاوِرَ مِنْ ذَهَبٍ وَلُؤْلُؤًا وَلِبَاسُهُمْ فِيهَا حَرِيرٌ ...

They will be adorned therein with bracelets of gold and pearls, and their garments therein will be silk."

- **Perfect Youth:** Everyone in Jannah will remain young (around the age of 33) and will never age, and their clothes will never wear out or get dirty. The Prophet Muhammad (ﷺ) said:

«مَنْ يَدْخُلُ الْجَنَّةَ يَنْعَمُ لَا يَبْأَسُ، لَا تَبْلَى ثِيَابُهُ وَلَا يَفْنَى شَبَابُهُ»

"Whoever enters Jannah will live a life of bliss and never feel miserable; their clothes will never wear out and their youth will never fade." (Sahih Muslim)

The 8 Gates:

1. Baabus Salaah: Those who were consistent in observing their Salaah will be granted entry through this door.
2. Baabul Jihad: Those who participated in Jihad will be granted entry through this door.
3. Baabus Sadaqah: Those who frequently gave Sadaqah will be admitted into Jannah through this door.
4. Baabur Rayyaan: The people who constantly observed the fast will be granted entry through this door.
5. Baabul Hajj: Those who observe the pilgrimage will be admitted through this door.
6. Baabul Kaazimeenal Ghaiz Wal Aafina Anin Naas: This door is reserved for those who suppress their anger and pardon others.
7. Baabul Aiman: This door is reserved for the entry of such people who are saved from reckoning and chastisement (The Awliyah).
8. Baabuz Zikr: Those who excessively remembered Allah will be admitted through this door.

The levels (or descriptions of Paradise) mentioned in the Quran and Sunnah, typically listed from the foundational levels to the highest:

1. **Jannat al-Mawa** (The Gardens of Abode/Refuge)
2. **Dar al-Maqamah** (The Home of Permanent Residence)
3. **Dar al-Salam** (The Home of Peace)
4. **Jannat al-Khuld** (The Gardens of Eternity)

5. **Jannat al-Na'im** (The Gardens of Delight)
6. **Dar al-Khuld** (The Eternal Home)
7. **Jannat 'Adn** (The Gardens of Perpetual Bliss / Eden)
8. **Jannat al-Firdaws** (The Gardens of Paradise) — *The highest and most premium level.*

A Beautiful Reminder: In Jannah, there is no sadness, anger, jealousy, or pain. The greatest reward of all in paradise will be the peace of being close to Allah and looking upon His Countenance.

****Lecture 25: Benefit of Remembrance of Allah****

يَقُولُ اللَّهُ عَزَّ وَجَلَّ: «أَنَا عِنْدَ ظَنِّ عَبْدِي بِي، وَأَنَا مَعَهُ حِينَ يَذْكُرُنِي، فَإِنْ ذَكَرَنِي فِي نَفْسِهِ ذَكَرْتُهُ فِي نَفْسِي، وَإِنْ ذَكَرَنِي فِي مَلَأٍ ذَكَرْتُهُ فِي مَلَأٍ خَيْرٍ مِنْهُمْ، وَإِنْ اقْتَرَبَ إِلَيَّ شِبْرًا اقْتَرَبْتُ إِلَيْهِ ذِرَاعًا، وَإِنْ اقْتَرَبَ إِلَيَّ ذِرَاعًا اقْتَرَبْتُ إِلَيْهِ بَاعًا، وَإِنْ أَتَانِي يَمْشِي أَتَيْتُهُ هَرْوَلَةً»

Answer Summary:

Allah rewards remembrance (Zikr) generously:

Terminology: What it Means to Draw Near to Allah (*Al-Taqarrub*)

- **The Real Meaning:** Drawing closer to Allah does **not** mean moving physically closer to Him across a physical distance.
- **The Islamic Belief:** Allah is beyond our imagination and is not confined to a physical space or location.
- **The True Definition:** Drawing close to Allah is entirely **spiritual and spiritual advancement**. It means upgrading your position in His sight through acts of worship (*Ibadah*) and good deeds until you become one of His deeply beloved servants.

Lessons from the Hadith

1. Simple Examples for Great Rewards

- **Why the Prophet (ﷺ) used measurements:** The Hadith uses familiar physical terms like شِبْر (a span of a hand) and ذِرَاع (an arm's length) so humans can easily visualize and understand how immensely Allah multiplies rewards.
- **The Rule of Multiplication:** Any sincere act of worship (*Ibadah*) or remembrance (*Dhikr*) is rewarded with double credit—and often far beyond anything we can calculate or imagine.

2. The Action Plan for Believers

- Always remember Allah and keep Him in your mind.
- Actively do the good deeds taught by the Prophet (ﷺ) and strictly stay away from the bad deeds he warned us against.

3. Two Powerful Quranic Foundations

- **The Proof of Love (Surah Ali 'Imran, 3:31):**

قُلْ إِنْ كُنْتُمْ تُحِبُّونَ اللَّهَ فَاتَّبِعُونِي يُحْبِبْكُمُ اللَّهُ وَيَغْفِرْ لَكُمْ ذُنُوبَكُمْ وَاللَّهُ غَفُورٌ رَحِيمٌ

"Say [O Muhammad]: If you really love Allah, then follow me; Allah will love you and forgive you your sins..."

- **The Connection of Remembrance (Surah Al-Baqarah, 2:152):**

فَاذْكُرُونِي أَذْكُرْكُمْ وَاشْكُرُوا لِي وَلَا تَكْفُرُونِ

"Therefore remember Me, I will remember you, and be grateful to Me and never be ungrateful to Me."

****Lecture 26: Four Most Valuable Things****

عَنْ عَبْدِ اللَّهِ بْنِ عَمْرٍو رَضِيَ اللَّهُ عَنْهُمَا، عَنِ النَّبِيِّ ﷺ قَالَ: «أَرْبَعٌ إِذَا كُنَّ فِيكَ فَلَا يَضُرُّكَ مَا فَاتَكَ مِنَ الدُّنْيَا: حِفْظُ أَمَانَةٍ، وَصِدْقُ حَدِيثٍ، وَحُسْنُ خَلِيقَةٍ، وَعِفَّةٌ فِي طُعْمَةٍ

Answer Summary:

If you have these four things, you are truly successful even if you lack worldly wealth:

1. **Protecting Amanah:** Keeping trusts and fulfilling commitments.
2. **Truthfulness in Speech:** Never lying.
3. **Good Character:** Having a nice manner like the Prophet (PBUH).
4. **Purity in Meal:** Earning a halal livelihood and avoiding illegal income.

Terminologies:

حِفْظُ أَمَانَةٍ : It is an Islamic terminology , which literally means protecting the trust, and terminologically denotes, ensuring the safety and security of a thing which has been kept with someone's custody on trust.

This also includes fulfilling the commitments made to anyone and also discharging the responsibilities towards Allah (Swt), His Messenger, the parents, and the relatives as prescribed by Islam.

صِدْقُ حَدِيثٍ : Literally means truthfulness in speech. Truthfulness is one of the basic qualities of a Muslim, without which a Muslim cannot be considered as a sincere Muslim and failing to uphold this quality a person is considered as a hypocrite . On the other hand telling a lie is considered as a great sin in Islam.

حُسْنُ خَلِيقَةٍ : This terminology is combination of two different words e.g. (حُسْن) which means good, nice and (خَلِيقَةٍ) which means character , manner, combinedly it means – good character, nice manner. The role model of good character is that which has been practised by the Prophet (Saw)

himself, as he has been certified by Allah (Swt) as declared in the Qur'an that the Prophet (Saw) is on the highest degree of Excellent character.

عَفَّةٌ فِي طُعْمَةٍ : عِفْهَةٌ means , abstinence, to uphold purity.

طُعْمَةٌ : Provision ,eating meal. Both the words combinedly mean – purity of provision or abstinence from illegal earning. In fact Islam has given utmost emphasis on earning through lawful and permissible source for every Muslim. Because without ensuring earning through legal and permissible way no 'ibadah is acceptable in the eye of Islam.

****Lecture 27: Prohibition of Zulm (Oppression)****

عَنْ أَبِي ذَرٍّ الْعِفَارِيِّ رَضِيَ اللَّهُ عَنْهُ، عَنِ النَّبِيِّ ﷺ فِيمَا يَرْوِي عَنْ رَبِّهِ عَزَّ وَجَلَّ أَنَّهُ قَالَ: «يَا عِبَادِي إِنِّي حَرَّمْتُ الظُّلْمَ عَلَى نَفْسِي وَجَعَلْتُهُ بَيْنَكُمْ مُحَرَّمًا فَلَا تَظَالَمُوا»

Answer Summary:

Terminologies:

حَرَام : According to Islam everything which is not permissible in the eye of *Shari'ah* is called حَرَام i.e. illegal thing or forbidden, like wine, pork, interest etc.

ظُلْم : The real nature of ظُلْم is to put something at a position which is not suitable for it . (الظلم هو وضع الشيء على غير محله). For example if anyone deserves to enjoy some opportunity or right or privilege, but if he is deprived from this right or privilege, then it is called injustice.

Associating someone with Allah (Swt) in worship is the greatest form of injustice in the eye of Islam. So it has been identified as ظلم in the Qur'an. Allah says: إِنَّ الشِّرْكَ لَظُلْمٌ عَظِيمٌ

Society Application:

To prevent *Zulm* (injustice and oppression) in society, Islam shifts the responsibility from a passive wish to an **active civic duty**. It treats injustice not just as a personal sin, but as a dangerous social toxin that will destroy an entire community if onlookers choose to remain silent.

First, society must practice **active intervention and accountability**. According to the famous teaching of the Prophet Muhammad (ﷺ), if someone sees an evil or an act of oppression, they are commanded to change it physically (by enforcing fair laws and anti-corruption measures) or to speak out against it using their tongue (through whistleblowing, journalism, and community awareness). Neutrality is never an option; preventing *Zulm* means actively stopping the oppressor to protect the vulnerable.

Second, we must eradicate **favoritism and nepotism** by building systems where justice applies equally to everyone. The Quran commands believers to stand firm for justice, even if it is against themselves, their parents, or their wealthy relatives. A healthy society creates fair labor laws, ensures the poor have the same legal protections as the rich, and holds wrongdoers accountable regardless of their status, power, or family background.

We must not oppress others, even our enemies. In a society, avoiding **Zulm** means ensuring everyone gets their **rightful privilege** and no one is deprived.

Kinds of Zulm:

1. Greatest Zulm: Associating others with Allah (Shirk) because only the Creator deserves worship.
2. Zulm against Others: Depriving people of their rights or causing them harm.

3. Zulm against Self: Committing sins that harm one's own soul in the Hereafter.

****Lecture 28: Meaning and Kinds of Zuhd****

Answer Summary:

Terminology: What is Al-Zuhd?

Al-Zuhd is an Islamic concept that means **spiritual detachment from the world**. It does not mean living in extreme poverty, but rather keeping the love of worldly things out of your heart so you can focus on Allah and the Hereafter.

The Key Meanings of Zuhd:

- **Self-Control & Devotion:** Choosing to step back from unnecessary worldly comforts out of a desire to be sincerely devoted to religion and to ease one's accountability before Allah.
 - **Zuhd Toward the World:** Breaking free from the constant greed for material wealth, luxury, and temporary pleasures. It means subduing your inner passions and lust for worldly affairs.
 - **Zuhd Toward What Others Have:** Refusing to compete with others for social status, land, or fancy buildings. It means refusing to use illegal ways or conspiracies to climb the social or professional ladder.
-

****Lecture 29: Punishment of Sinners (Hell-Fire)****

عَنْ أَبِي هُرَيْرَةَ، عَنِ النَّبِيِّ ﷺ قَالَ: "أُوقِدَتِ النَّارُ أَلْفَ سَنَةٍ فَأَبْيَضَتْ، ثُمَّ أُوقِدَتْ أَلْفَ سَنَةٍ فَأَحْمَرَتْ، ثُمَّ أُوقِدَتْ أَلْفَ سَنَةٍ فَاسْوَدَّتْ، فَهِيَ سَوْدَاءُ كَاللَّيْلِ الْمُظْلِمِ" رواه ابن ماجه

عَنْ أَبِي هُرَيْرَةَ، عَنِ النَّبِيِّ ﷺ قَالَ: "تَأْكُلُ النَّارُ ابْنَ آدَمَ إِلَّا أَثَرَ السُّجُودِ، حَرَّمَ اللَّهُ عَلَى النَّارِ أَنْ تَأْكُلَ أَثَرَ السُّجُودِ" رواه ابن ماجه

Answer Summary:

The Core Concept of Jahannam

Jahannam is a terrifying, ever-flaming pit of fire created by Allah to punish sinners and wrongdoers. Its fire is 70 times hotter than any fire on earth. It was heated for 3,000 years-turning from red to white, and finally to a pitch-black darkness.

The Nature of Punishment

- **Duration:** The punishment is eternal for non-believers, while sinful Muslims may enter temporarily to be cleansed of their sins before eventually being admitted to Paradise.
- **Environment:** It is filled with venomous snakes, lizards, and terrifying beasts whose agonizing bites can last for 40 years.
- **Food & Drink:** Inhabitants are forced to eat from the Zaqquq tree, which has bitter, thorny branches, and drink boiling water, pus, and blood.

Ultimately, Jahannam consists of seven distinct levels, serving as a severe warning from Allah for humans and Jinns to avoid sins and guard their actions.

7 Levels of Jahannam:

1. Jahannam: For sinful Muslims.
2. Ladah: For those who rejected the Prophets.

3. Saqar: For those who missed prayer and didn't feed the poor.
4. Al-Hutamah: For those whose hearts will be burned.
5. Jaheem: For those who didn't believe in Allah correctly.
6. Saeer: A level of unimaginable pain and scorpions.
7. Al-Hawwiyah: The worst, deepest level of pitch darkness for non-believers.
